THE EARLY BABY BOOMERS
3x32 STRATHSPEY
IN A TRIANGULAR SET

8. **All 3 couples set and link, finish man facing out, lady facing in.**
All 3 couples turn one & half times using right hand, first couple moving slightly down the dance; all 3 couples finish in promenade hold, first couple facing third couple.

9-16 **Reels of three across the dance, begin with first & third couples passing right shoulder. On bar 16 first man crosses his partner in front of him using left hand ready for:-**

17-20 **Hands across: 1st man dancing right hands across with 3rd couple while 1st lady dances left hands across with 2nd couple.**

21-22 **1st couple, lady crossing in front of partner, change to hands across halfway, 1st man left hand with 2nd couple & 1st lady right hand with 3rd couple.**

23-24 **1st couple dance up each side to original place & face partner, WHILE 2nd & 3rd couples continue to turn to original place & face partner.**

32. **Three couples dance the knot.**

28. **Half turn partner right hand into Allemande hold, facing out. Dance one place anticlockwise.**

29-32 **All turn ladies into centre left hand. All turn left hand to new place. Finish 231**

Repeat twice more.

Dance devised for Ruth, Maureen & Meg who were born just before or just after VE Day.

Music: Miss Corbett's Strathspey (Robert Mackintosh)
