

# LA MERVEILLE DE MEAUDRE

(R32x8) 3C, 2024

devised by Murrough Landon

Cette danse a été créée en hommage à tout le travail fait par Sophie Marchand pour la danse écossaise dans le Vercors. Murrough l'a offerte au Méandre Reel lors de sa venue en 2024. La danse a été rajoutée au programme du bal en surprise. Chacun a pu apprécié les reels nombreux et dans tous les sens, rappelant les nombreux virages pour arriver jusqu'à Méandre !

This dance was devised in recognition of all the work done by Sophie Marchand for Scottish Country Dancing in Vercors. Murrough presented it to Méandre Reel when he visited in 2024. The dance was added as a surprise to the evening ball programme. Everyone appreciated the number of reels – in all directions - recalling the many bends on the road to Méandre !
